

davidpompa

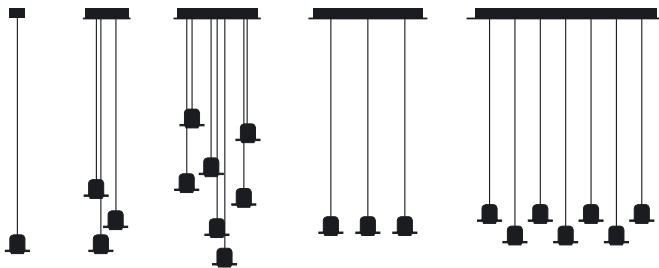

oola

Oola combines the simple and tough shape of metal with an incredible natural mineral named Onix, which allows the light to pass through, creating a glow ambient.

The uniqueness of the translucency of Onix is a beautiful and poetic way to enlight a place. The contrast of these two materials attracts by itself, diffuses light ideal for different habits of contemporary living.

Available as single pendant & chandelier

please note: Lead times are subject to change. Variations in colour, shade, surface texture and size are natural characteristics of handmade products and should be expected. Images shown are representative, but may not indicate all variations in these characteristics.
