

Origo floor

davidpompa

Origo floor elevates the opal glass and the volcanic rock to a new perspective. With new proportions, this elegant and tall aesthetic becomes a sculpture on a contemporary stage. Made of recinto volcanic rock and opal glass spheres, both supported by coated aluminium.

A relationship between two contrasting materials which highlight each other through its nature. Described as a material constellation, these two spheres interact with each other bringing texture through shine and brightness through its contrast.

Code SKU	PV012F
Handcrafted in	Mexico
Size	Ø25 x 135cm
Weight	5kg
Packaging	40 x 30 x 15cm 6kg
Lead time	4 - 6 weeks
Light source	incl. 4W G9 LED 350 lm 2700K warm white dimmable Use only LED
Voltage	110V / 240V
