## safety instruction

Lamp suitable only for indoor use. The electrical connections must be carried out by specialized personnel. If this electrical wire or cord is damaged, it should be replaced exclusively by the manufacturer, its technical team or someone with an equivalent qualification in order to avoid any risk. The manufacturer is not responsible for improper use of the product.

## product care

**Glass**  
For opal frosted glass, dust gently with a duster or soft rag. Do not scrub frosted glass.

**Recinto**  
Use a feather duster, a clean cloth, or vacuum with a clean brush attachment, do not wipe wet.
