

Ambra floor

davidpompa

The new series of light sculptures named Ambra combines volumes of ancient stones and aluminium. The contrast between porous textures and smooth dark red underlines the studios contemporary approach on traditional materials and craft. The connecting components between the sculptural stone elements and the aluminium parts originate from an intensive research of linking unique handmade shapes with industrial parts.

Code SKU	PV013F-rj
Handcrafted in	Mexico
Size	Ø15 x 18cm
Weight	2,5kg
Lead time	6 - 9 weeks
Light source	Incl. 1x 20W LED COB 1700lm 2700K 90CRI incl. on/off switch
